Parking

There is parking around the building, and we have two Return To Play Medical dedicated spots inside the building. Access to the carpark is on Tooke Street (see green arrow in picture below).

When you enter the carpark you are on the first floor, and the exit to the carpark is on the second floor. Our dedicated carparks are on the second floor, at the opposite end of the building to the entry and exit.

Location inside the Building

Once you get inside the building there are directory maps around the building (like the one pictured left) which show your location and our location, look for **Return To Play Medical: Suite 12 on Level 1.**

Any problems, call our lovely receptionist Bree, on **49 29 56 26.**

See you soon!
